THE UNIVERSAL CAR

With Springs comes the Rush Season for Ford Cars

Each year thousands have been compelled to wait for their cars after placing their orders. Sometimes they have waited many months. By placing your order now, you will be protecting yourself against delay. You will be able to reasonably prompt delivery on your Ford car. And you will have it to enjoy when you want it most—this spring.

DON'T PUT OFF PLACING YOUR ORDER.

More Price Reductions by Harvester Company

Entire Line of Implements
Now at LOWER PRICES

In view of the recent reduction in the price of steel, we now announce lower prices for our entire line of farm machines and implements not covered by reductions previously announced.

All lower prices take effect at once

The reduction in the price of steel comes after all the material for the machines and implements we will sell this year has been provided, and will therefore have no bearing on the manufacturing costs of such machines. However, it does enable the Company to buy materials at lower prices for future manufacture, and in accordance with our announced policy we now quote those prices, the Company taking the loss on machines already finished and materials on hand.

Full information regarding our lower prices on binders, mowers, and all other harvesting, haying and corn machines, tillage implements, tractors, engines, and all other I H C farm machines can be obtained from any International Dealer.
